## Release Information

This release introduces a new Partner Incentive report to the MSP Hub portal. The report provides partners with clear visibility into incentives earned from customer activity over a selected period, including total incentive amounts, top contributing customers, and overall incentive performance. This enhancement helps partners better understand and track their incentive earnings in one place.

## Features

### 1. Reports - Partner Incentives

Focuses on incentives earned from customer activity over a selected period, enabling partners to track total incentive amounts, top contributing customers, and overall incentive performance.

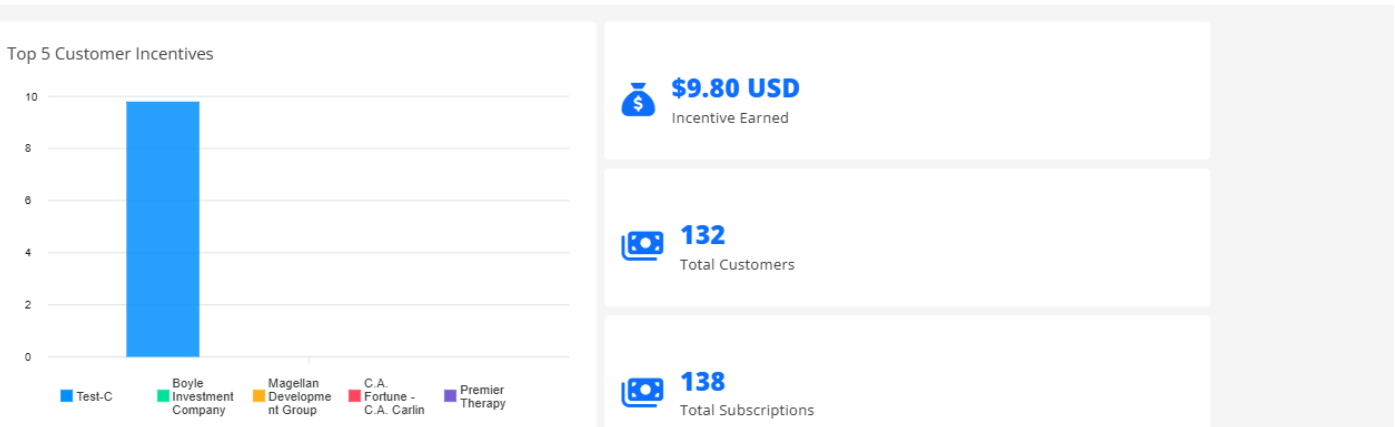

#### Partner Incentives

Provides partners with visibility into incentives earned from customer activity, including total incentive amounts, top contributing customers, and overall incentive trends.
